HON. ANDREW STEWART is in Cumberland, Md. too sick to attend Congress. He is in the care of his wife and friends.

THE FANNY KEMBLE BUTLER CASE.—It is stated that Mr. Pierce Butler, despairing of success in his suit of divorce against his wife, has made a proposition for a compromise. JOHN VAN BUREN is in Washington. So is the Cholera, they say.

THE QUEEN AND JOHN VAN BUREN.—"How far back can you trace your ancestry Mr. Van Buren?" said the Queen, on the son of the President being presented to her. "As far back as Kinderhook, madam," was the reply. "Is it possible?" responded the astonished Queen, perfectly satisfied as to the respectability of his lineage.

A lucky editor has received the following in a very neat billet, and a very neat style of chirography. He objects decidedly to "take it" in the fashion alone, though.

A KISS.  
A kiss, a kiss,  
Replete with bliss,  
I send within this paper,  
Take it in haste,  
Don't stop to taste,  
'Tis little more than vapor.  
  
Pray don't complain  
That it's in this strain,  
To pledge it besteady;  
And were you here  
I would appear  
Not "Rough," perhaps, but "READY."

WINER'S Canadian Vermifuge.—The best remedy ever yet discovered for all kinds of WORMS. It not only destroys Worms and invigorates the whole system, but it dissolves and carries off the superabundant slime or mucus, so prevalent in the stomach and bowels of children, more especially those in bad health. The mucus forms the bed or nest in which worms produce their young, and by removing it, it is impossible for worms to remain in the body. It is harmless in its effects on the system, and the health of the patient is always improved by its use, even when no worms are discovered; thence, being palatable, no child will refuse to take it, not even the most delicate.

Prepared by JOHN WINER & CO., No. 83 Maiden Lane, New York. Sold wholesale and retail by J. WRIGHT, General Agent for the South and West, 151 Chartres street, New Orleans.

FEVERS, like every other form of disease, is only an effort of nature, to expel from the body some thing that is opposed to health; it is merely a struggle between the good and bad humors for supremacy, and the commotion which ensues is called Fever.—The usual symptoms of a Fever are heaviness, languor, anxiety, sighing and yawning, with alternate heat and cold. After which, the patient complains of pain in the head and back, thirst, difficulty of breathing, pain in the limbs, a sense of fullness about the region of the stomach, nausea and sickness, with sometimes a vomiting of bilious matter.

WRIGHT'S INDIAN VEGETABLE PILLS will be found peculiarly adapted to the cure of all kinds of Fever, because they not only thoroughly cleanse the stomach and bowels from all bilious humors, but they open those excretory vessels which empty into the bowels; and, consequently, the impurity contained in the circulation (which is the cause of all disorders of the blood, called Fevers), is thrown into the bowels, from whence it is carried off by the regular saline discharges.

In using Wright's Indian Vegetable Pills for Fevers, the only care necessary is, to have the medicine operate copiously by the bowels. If the symptoms are urgent, from four to eight Pills should be taken, night and morning, until the fever has subsided; after which, smaller doses, once in twenty-four hours, will be sufficient to restore the body to a state of health.

Beware of Sugar-Coated Counterfeits.—Remember, that the original and only genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top of each box. The genuine is for sale at wholesale and retail by ROBERT BARNES, sole agent for Evansville.
